Important and useful websites:

All years have work set on Student Folder. Year 7 and 8 work is through a workbook Word Document and Key Stage 4 have work on PowerPoint presentations which can be downloaded. Students should work through the workbooks and presentations following instructions and using the links provided. Some lessons require paper but students are welcome to type answers into a word document instead. This should include the date and title for the work/task.

Unfortunately, as a subject there is no Drama work on GCSE Pod or Seneca so the most useful website to use for KS4 revision is:

<https://www.bbc.co.uk/bitesize/examspecs/zrnjwty> - BBC Bitesize.

Students can also access this website with useful resources shared by Mr Wright.

Instructions for each year group are found below and on the PowerPoint in student folder.

If you need further assistance please contact Mr Wright on the email below:

Year 7

Recall activities – Information on the knowledge organisers provided from the last two units of work can be read for revision and guidance.

Main Tasks

Year 7 are to work through the written tasks workbook. Some tasks are longer than others and will require some research. Others can be answered within the workbook. This can either be printed off or downloaded and typed into.

Knowledge organisers

Students should all have paper copies of the most recent Knowledge Organiser. Other knowledge organisers can also be downloaded from the school website.

Year 8

Recall activities – Information on the knowledge organisers provided from the last two units of work can be read for revision and guidance.

Main Tasks

Year 8 are to work through the written tasks workbook. Some tasks are longer than others and will require some research. Others can be answered within the workbook. This can either be printed off or downloaded and typed into.

Year 9

Recall activities – Read through the previous knowledge organisers.

Main Tasks

As part of the Performance Skills NCFE students need to understand the way in which Theatres work to put on productions. Follow the instructions on the Power Point on Student Folder to complete work based around this topic. Some tasks will require paper or can be written in a word document.

Knowledge organisers

Students should all have paper copies of the most recent Knowledge Organiser. Other knowledge organisers can also be downloaded from the school website.

Year 10

Recall activities – Read through the previous knowledge organisers.

Main Tasks

Follow the slides on the PowerPoint found on Student folder. You can begin by watching the production of DNA on Youtube. It is a long production so you may want to put it on in the background or watch it in chunks. This will help you to develop your understanding of the play and prepare you for performing extracts from this play.

Following on from this complete the tasks set on the PowerPoint presentation. These will help with character development. Selecting how you will play the different characters and filling in background information.

Knowledge organisers

Students should all have paper copies of the most recent Knowledge Organiser. Other knowledge organisers can also be downloaded from the school website.

Year 11

Recall activities – Read through the previous knowledge organisers.

Main Tasks

There are several tasks that can be completed to help with revision and preparation for exams and coursework in Drama.

1. Any student who has not completed a full version of their devising Drama logbook **MUST** complete this first. Check your emails regularly and I will provide feedback and any additional tasks.
2. Students also need to continue to learn their lines for their performances. They should have a print out of their scripts that they have been using to rehearse from.
3. Component 1 Revision. On Student folder there is a PowerPoint which can be downloaded. This contains various links to revision sources and tasks. There are also several documents which can be downloaded and completed in conjunction with the PowerPoint to complete work.
