Principal: Mr S Piggot

Dear Parent/Carer,

It is hard to believe that Year 7 are now heading towards the end of their first year at Kibworth Mead.

We wanted to let you know that next term your child will be sitting End of Year assessments in English and Maths in the Sports Hall. This will allow us to assess what knowledge is secure, to see what isn't yet secure, and also will allow your child to gain experience of a formal exam setting, so that it becomes more familiar over time. In addition to English and Maths, your child will also sit End of Year assessments in Science in his/her classroom. Please see information below.

Subject	English	Maths	Science
Date and Time	13:15-14:00 Wednesday 20 th May	13:15-14:00 Friday 22 nd May	Monday 1 st June (A side Lesson 5, B side Lesson 4)
Location	Sports Hall	Sports Hall	Science classroom
Exam content	Language: Creative narrative	Calculator paper: content to follow	Cells , Particles , Mixtures , separation , Forces , Atoms , Investigation skills

In lessons and tutor times we will be working on revision techniques. To support this, please see our whole revision website here, which includes a list of revision strategies. <https://www.kibworth-tmet.uk/students/exam-preparation/years-7-9-ks3/>. I have attached a knowledge organiser to support the English Language assessment, and the maths assessment is based on work covered this year: a topic list will be shortly be available.

The aim of this set of assessments is to support your child to be successful, which will build confidence over time as your child progresses through KMA.

More information on arrangements for the exams will be provided nearer the time, but I wanted to give you an overview in the first instance.

If you require any more help and support please contact Mrs Palmer, Head of Year, or myself.

Thank you so much for working in partnership with us to support your young person.

With best wishes

Dr Thompson
